

Section 6: The Fraud Perpetrated upon America – A Message to Trump and the White Hats

So, **Commander-in-Chief Donald J. Trump** and the **White Hats**...

Help me make sense of this. Do I understand “The Plan” correctly?

You chose to build an online platform of archaic, computer code with symbols, riddles, and bread crumbs to help wake people up, when you just as easily could have built an online, TV platform to display it all in simple, straightforward, English language in video or motion pictures with documented evidence and photos. The late **Robert David Steele**, ex-**CIA (Central Intelligence Agency)**, exclaimed to the world that the **National Security Agency (NSA)** has it all, so why didn't you just tell it all?

Trust the Plan

You tell the public to trust “The Plan” the White Hats has concocted. Your messengers are assuring the American public that the Military has it all under control. If that's so, then you are telling me to believe that your plan was to allow Biden to steal your private corporate elections in 2020, allow our borders to be left unguarded and overrun with an influx of immigrants, criminals and child trafficking. You planned to have him finish off Operation Warp Speed with the **lockdowns** and take the fall for it all. You planned to stab him in the back and bankrupt his corporation after you all have been in collusion since 1937 under "[The Declaration of Interdependence of the Governments in The United States](#)" to split the take 60/40 between his Roman Municipal United States corporation's Principal and your British Territorial United States Corporation's Principal. (See [Section 3](#)). Then, you planned to humiliate your partner in

crime, Biden, making a spectacle of him highlighting his stuttering, dementia and tripping over himself in full public view. Then, you plan to make a grand entrance in your corporate 2024 elections with John F. Kennedy, Jr. (so they say) taking back the seat and coming to save the day. If anyone did this in the real world, that would make them a backstabbing, two-faced, crooked, lying business partner --- or am I missing something?

You had the U.S. Military at your disposal (and still do) and you had the power to write executive orders with the stroke of a pen, yet you are playing games with the lives of billions of people. Yes, your messengers are bragging about you being a brilliant 5-D chess player. People's lives are not a game to you, are they?

You and the U.S. Military could have released America's gold and land assets, and our private, pre-paid credit that was stolen from us in one-fell-swoop and removed your substitute, **fiat military scrip** from circulation which is the very thing causing all the inflation and placing the burden on hard-working Americans to have to work even harder to make a dollar and make ends meet, but you didn't. Apparently, this was not part of "The Plan." Your U.S. Military partners are following their same old modus operandi. (See [Section 5](#)). We Americans who are fully awake won't be hoodwinked this time.

So, to protect the American people and their assets, we foreclosed on your British Municipal governmental services corporation and your partner-in-crime, the Roman Municipal governmental services corporation. Because you both pretending to be us colluded with the central banking cartels, you managed to pull off the grandest heist in world history. You all stole the identity, the credit, the gold, and the land assets that belong to the American States and people, and you got away with it for over 160 years. So, while you were going along full steam ahead with your plan, we implemented our own plan. We liened your foreign governmental services corporations for **Breach of Contract** and Fraud and are recovering these assets on behalf of the American people. We chartered our own [International Trade and Commerce Bank](#), a blue dot, **bilateral banking system**, to begin this recoupment process.

Now, explain this part of the plan to me --- this part I'm really not comprehending at all. Your plan was to save hundreds of thousands of children from the deep **underground military bases' (D.U.M.B.) adrenochrome factories** but kill millions of grandmothers and grandfathers, moms and dads with your Operation Warp Speed mRNA gene editing injections and gas light all of us by calling them "vaccines."

While you and the Whites Hats were playing 5-D chess with your "live exercise" according to your former U.S. Secretary of State, Mike Pompeo --- which you called Operation Warp Speed --- to inject billions of people with mRNA DNA editing injections, we outlawed this criminal activity by passing [Public Law A1010121](#), making your corporate partners' claim to own people injected with your patented, **transhuman** formula unenforceable.

Help me make sense of all of this, please!

We invited you and the White Hats to come to the table and negotiate the release of the private, **Avila Trust donor** funds to deploy to the public within its original guidelines and wishes of the donor to rid all people on the planet of poverty and ignorance -- a deployment that should have happened in **1941** right after WWII. Yet, you ignored us and continued with your **NESARA/GESARA** theft scheme. (See [Section 7](#)).

We informed you in [America Some Assembly Required](#) that your substitution of private elections and officers were usurping upon our public elections and public office of The President of The United States of America (Unincorporated) and you ignored us yet again and kept the public in the dark about who you worked for and their shareholder interest in your private corporate elections as voters. You are a British, **foreign Agent**, a Tory, perpetrating as an American President. You bankrupted your business partner, the Roman Municipal United States corporation and subsumed their false claims to our assets. Now, do you not have to make that 60/40 split with the Pope (or is he now calling himself, the **Patriarch of the West**), and keep it all for yourselves? [Was that the real plan?](#)

While you were getting rid of your business partner and subsuming their false claims to our assets, we passed [Public Law A1010124](#) to request and require of you to return the **public assets** and reversionary trust interest back to the American States and the American people. We further prohibited your government franchisees under [Public Law A1010224](#) from continuing to harass declared **American State Nationals** with your internal corporate laws, codes, statutes, and executive orders, but your franchisees acting rogue and indignant, terrorized them still.

While you were touring the world requiring the CEO's of your franchises to capitulate to the CEO of their parent British Crown corporation, which is you, Donald J. Trump --- being under the threat of your hired British mercenary force, which is the U.S. Military --- in the name of democracy, we were raising our **Civil Peace flag** with our [Declaration of Flag](#) declaring peace on America's soil and our [International Peace Proclamation](#) requiring your British U.S. Military mercenary force to stop the warmongering and terrorizing the world in our name. We delegated to you no such authority.

While you were walking in front of the Queen in disrespect making a complete spectacle of yourself and her, how is it that she still kept you on her payroll (SERCO)? If you are going to be charged with insurrection, the charge could have rightfully been lodged against you by the Queen. Well, if it was all real and not just a show. My intel informs me that "Q" stands for Queen of England. She is the Principal of the British Crown corporation that you work for. The U.S. Military did tell you that, right?

Your theatre, your show, your play, your stage or whatever metaphor your messengers are using, I don't find it entertaining at all. It's horrific. Peoples' lives are not a game and they are not pawns on your chess board.

President Donald J. Trump

You claimed in your [2016 Inaugural speech](#) to take the power from Washington, D.C. and give it back to the people. Who are these "people" you speak of? Well, you did cut out your business partner and bankrupted the Municipal commercial corporation operating in Washington, DC. So, are the "people" then the British U.S. Citizen subjects of your British Territorial corporation that you are giving the power back to...the Tories?

Last I checked, we signed **The Unanimous Declaration of Independence** and fought a war with those very same people and won to earn the sovereign birthright of an American. Last I checked, the hereditary, [Head of State](#) of The United States of America, our sovereign government of Nation States established in 1776, is James Clinton Belcher. He restored the American **Civil Government** in 2017 in the face of continued threat over

generations to his safety. He is still waiting for you to pass him the soccer ball, if that is indeed the game you are playing; because at first, your messengers told us that you were playing 5-D chess until Russia entered the picture and you changed the game on us to soccer.

Why is it taking 500,000 **sealed indictments** of criminals among most of whom your foreign government franchises hired, and some you are still paying, before you get a clue that you have criminals on your payroll? In the real world, not in theatre, first you fire them, do not pay them leave pay, and you put them in jail so they can't cause more menace to society while they wait for trial. You don't give them DOPPLEGANGERS or allow one to exist (like "Joe Biden")! That is criminal fraud and deceit perpetrated against the American public. You are the parent corporation of all of these government service corporations and with your newly renovated **GITMO**, you can't expedite swift justice. I repeat, we know that the NSA has it all --- all the evidence you need --- the blackmail, the child sex trafficking (including at the border), human trafficking, adrenochrome orgies, racketeering, money laundering and counterfeiting, commercial fraud, psychological warfare, direct energy weapons (DEW) attacks, criminal patents, confiscated technologies, WBAN biohacking, bioweapon development labs, war-for-profit military **genocide** operations, etc. What more do you need?

I've tried to rationalize that this Plan was devised this way for the sake of national security to wake people up slowly. Whose security pray tell?

This is not an acceptable plan for a CEO of any corporation and is regarded as a criminal operation as far as **The United States of America, Unincorporated**, is concerned. It is so keenly devised and executed so proudly by the White Hats. In my opinion, your plan is diabolical!

We want the American public to know that we have extended diplomacy and an invitation to peaceful negotiations to Commander-in-Chief, Donald J. Trump, and the White Hats to bring the truth, remedy and relief to the people. We want the American public to know that every dime or relief offered to you from any NESARA/GESARA humanitarian effort or tax incentive is your money anyway that Donald J. Trump, the Commander-in-Chief and CEO of a British Crown corporation (or is it called "**The American Government, Incorporated**" now?), the U.S. military, and the colluding commercial banking cartels stole from the American people. We want the American public to know that Peace has been declared and the **Civil Peace Flag** should be raised on every government building and every home in America and that the British U.S. Military mercenaries are not defending our freedom.

America don't fall for another sleight of hand coming to you in the name of "**QFS**." Know the truth about this. You need to [Read Article #4497 here](#).

Finally, we want the American people to know that the foreign, United States government, has criminally converted your political status from an American to that of a foreign Citizen. They have impersonated you and substituted themselves as your American government for over **160 years**. To return back to your birthright political status, the public record must be corrected by recording and publishing a **Declaration of Political Status** and a **Declaration of Naturalization** to attest that you are changing your status back.

Americans arm yourselves with the truth. We trust that you can handle the truth and drip dropping it to you in archaic computer code, riddles, and bread crumbs is an insult to your intelligence. Read our [Detailed Research](#). It's written in plain English and even has pictures and videos sprinkled in.

Make your commitment to The Unanimous Declaration of Independence of 1776 known to the world by attaching your “John Hancock” to **Our Commitment Declaration** [here](#).

My final questions for Trump and the White Hats: Now that you’ve gained your seat back in your 2024 corporate elections, what are your chess moves this term? Will you tell the people that you and the U.S. Military mercenary forces are Tories? American people that means they are British citizens and on Britain’s payroll (SERCO). Consequently, you have been criminally registered as a British corporate citizen too. That places you back in 1776 fighting for your independence all over again. Now, do you see the reason for the taxation?

Americans, ...are you awake yet?!
