These persons are wanted for questioning and discovery in ongoing criminal investigations related to the development and deployment of the Covid 19 "vaccine" product.

We are aware that members of the World Health Organization (WHO) claim broad-ranging diplomatic protection and immunity; however, such immunity was never granted nor intended to be a protection for premeditated murder and other capital crimes. For the purposes of our Government no diplomatic or other immunity will be granted to personnel of the World Health Organization (WHO) or World Bank.

New evidence suggests that the World Health Organization was deliberately created as a front for criminal acts and genocide against human populations on a worldwide basis:

World Health Organization (WHO) personnel are wanted for questioning related to the declaration of a pandemic in 2019 purportedly related to an unidentified "novel" coronavirus, vaccine experiments funded by the Bill and Melinda Gates Foundation and administered by WHO, and the reported 88% of WHO funding supplied by the Bill and Melinda Gates Foundation.

World Bank personnel are wanted for questioning related to the issuance and use of "Health Bonds" and payouts generated as a result of the 2019 pandemic declaration referenced above.

Arrests and collection of testimony and evidence is to proceed in an orderly fashion, state by state, country by country, institution by institution. All national and international peacekeeping and law enforcement personnel and organizations are expected to take Notice and begin or extend their ongoing efforts to collect pertinent testimony, data, and evidence in support of presentments and indictments by Grand Juries.

All sovereign governments worldwide are encouraged to participate and support this action without further delay and to take appropriate action to fully inform the General Public about the dangers of these vaccines and the need to avoid exposure to them via screening of sex partners and rigorous analysis of blood bank supplies to prevent transfusions of contaminated blood to non-vaccinated individuals.

According to recent sworn testimonies and evidence provided by Nicole Schwab and Pascal Najadi, children of the co-founders of the World Economic Forum (WEF), this entire organization of more than 4,000 corporations, has been a primary nexus for plans to overthrow national governments and implement a terrifying new era of Corporate Feudalism aiming to -- among other things -- create a race of infertile transhuman slaves as a result of the insertion of the patented and genetically engineered mRNA contained in the Covid 19 "vaccine" into the human genome.

Anyone associated with the WEF and its leadership including graduates of its "Young Leaders" programs now embedded in government bureaucracies worldwide are to be considered dangerous and potentially violent criminals, subject to immediate arrest as accomplices to genocide, commercial terrorism, and conspiracy to overthrow national governments.

Similar information has led us to conclude that a sinister Municipal Corporation which was first formed in France in 1943 under the Vichy Government as the UNITED NATIONS CORPORATION and using similar derivative names, UN CORP, etc., has successfully dominated the United Nations Organization and has increasingly used it as a storefront and cover for genocidal activities and human experimentation projects, promotion of scientific hoaxes, and efforts to overthrow national governments in favor of its own plans to establish and enforce a single world government under its own auspices.

This Nazi Era corporation and its modern day offshoots has interlocking trust directorate relationships with the World Economic Forum corporations, and appears to be the actual Mastermind behind Agenda 2030 and the WEF's anti-human agenda. Personnel associated with this dangerous syndicated criminal organization are to be regarded as extremely dangerous ideologues and promoters of the Nazi agenda in the present day. They are principle backers of the rogue

European CIA cells, the puppet Ukrainian Government under Zelensky, and are now in control of NATO.

All of this necessitates the immediate revitalization of the national level governments of the world and collaborative effort to detect and remove individuals and indeed, entire institutions, that have been infected with this despicable set of False Beliefs and ignoble goals.

We are calling for the immediate freezing of all Bill and Melinda Gates Foundation assets worldwide, and the arrest of complicit members of the U.S. Congress, which includes all members past and present who mandated the Covid 19 vaccines for the General Public while exempting themselves, their families, their staff members and staff member's families, also includes all members of that corporate body who are trying to prevent repeal of misused and abused funds allocations for "foreign aid" made to USAID and the Federal Department of Education (which should not exist) and the Social Security Administration and Department of Defense and other Agencies and Departments that have failed their fiscal reporting requirements and been shown to waste, misappropriate, lose, and otherwise abuse the Public's trust and act against the Public's Interest.

These men and women are occupying private corporate offices while pretending to occupy public offices associated with our Government; they have no state or diplomatic immunity and are owed no respect or protection based on their own actions and inactions.

Notice to Agents is Notice to Principals; Notice to Principals is Notice to Agents. This Order is effective immediately and will remain in effect continually from this date and time until all necessary actions related to these activities and events, individuals and institutions, have been concluded.
